### ABOUT ME

My name is **Jeric Basco**, I was born on November 22, 2001. I am 21 years of age, currently living in San Antonio, Sagbayan, Bohol. I am the second youngest among my three siblings and also I am the cutest among us. My hobbies are playing chess, online games, playing basketball and volleyball. My ambition in life is to become a professional programmer someday. And I believe in motto "Never stop learning because life never stop teaching".
